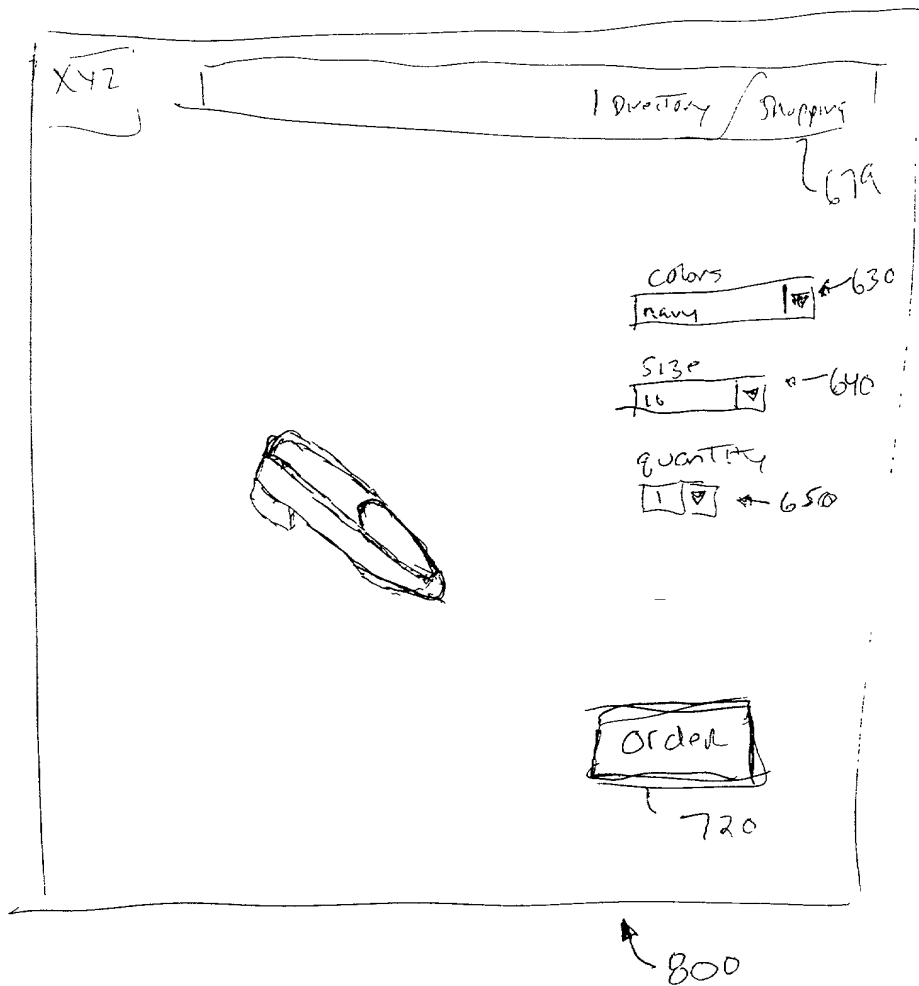

FIG. 17

A hand-drawn diagram illustrating a data structure for a shopping directory. The diagram is enclosed in a large rectangular frame. In the top-left corner, there is a small box labeled "XYZ". To its right, a horizontal rectangle is divided into two sections: "Directory" on the left and "Shopping" on the right. Below the "Shopping" section, the number "679" is written. In the center of the diagram, there is a rounded rectangle labeled "Shipping Information". To its right, the number "900" is written with a small arrow pointing towards it. Below the "Shipping Information" box, there is another rounded rectangle labeled "Billing Information". To its right, the number "904" is written with a small arrow pointing towards it. At the bottom center of the diagram, the number "900" is written with a small arrow pointing upwards towards the "Billing Information" box.
